1995

I hope the day will be a lighter highway
for friends are found on every road.
Can you ever think of any better way
for the lost and weary traveler to go?

seniors

Making friends for the world to see
let the people know you've got what you need,
with a friend at hand you'll see the light —
if your friends are there then everything's all right.

seniors

It seems to me a crime that we should age
these fragile times should never slip us by . . .

. . . for friends together watch their childhood fly.

Making friends for the world to see
let the people know you've got what you need,
with a friend at hand you'll see the light —
if your friends are there then everything's all right.

Friends by
Elton John

EAGLES

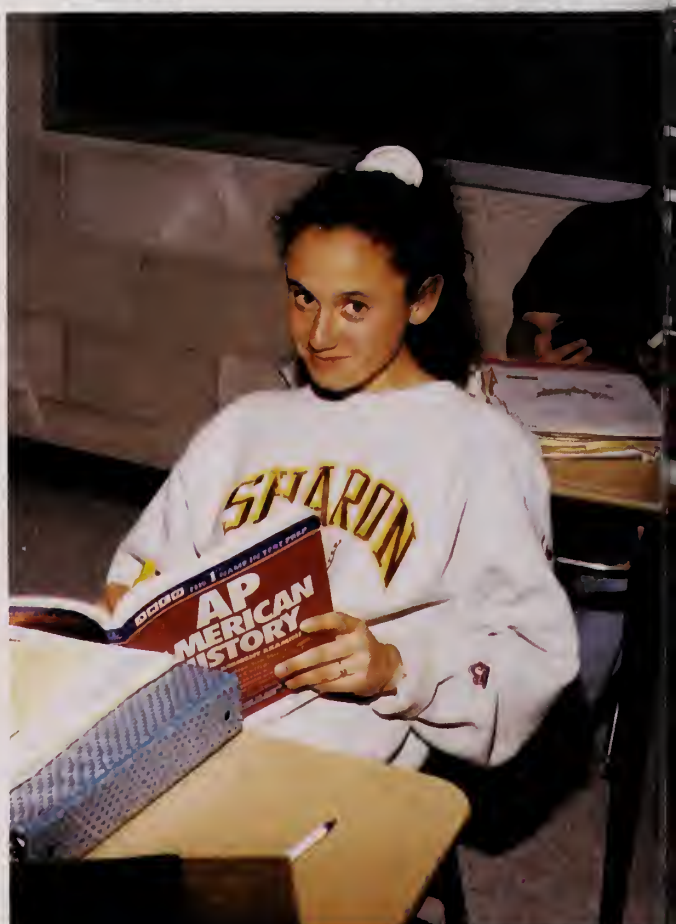
Friends: When we think of our four years at Sharon High School, nothing comes to mind as strongly as the camaraderie that has echoed in our halls, at our sporting events, at pep rallies, dances, and lunches. After all, how could we have survived all the early morning wake-ups and late night studying without each other?

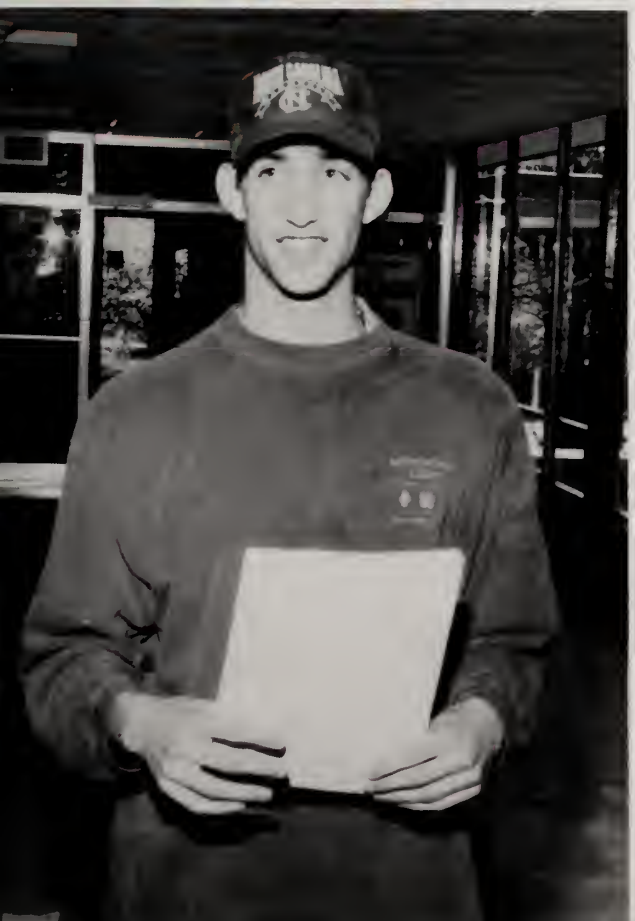
seniors

Our friendships are what makes school such a special place. Sure, we've mastered calculus, learned to speak other languages, and have discovered how to make a computer user friendly. But the most important thing that we have learned, the crucial element which we will never forget and always need regardless of what fields we finally come to work in, is how to have fun, how to really live life, and how to be a good friend. This we have taught to one another.

seniors

At Sharon High, we have been handed a clean slate. Throughout the past four years, we have had the opportunity to sketch our own lives, to in fact create memories. Of course no two slates are the same, for we have all had various experiences in high school. But one element remains uniform throughout: friendship.





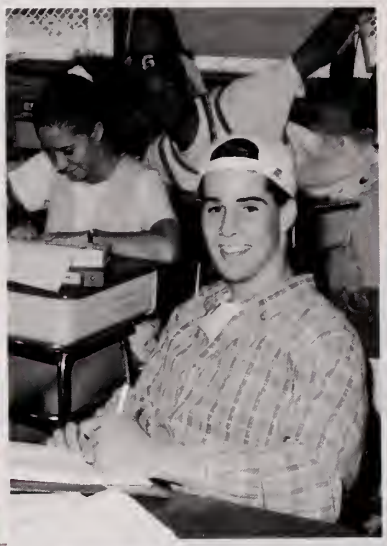
Together as a class we have truly grown over the past four years.From last place to first in the homecoming float competition to the Semi-formal and Junior Prom, we have travelled the road to graduation. Although there have been delays and detours, we've finally made it. More importantly, we've made it together.

the prom "94"

The Junior class experienced the feeling of a never to be forgotten night in Paris as they danced away the evening under the shadow of the Eiffel Tower. The stars were shining and the mood was right for a great time and that is exactly what we had. All was in order: the music, the lights, the people, and the dancing. The results of all our hard work, our anticipation and our planning had at last arrived and

our only regret was that the night went by too quickly.

Towards the end of the evening, our Junior Prom King and Queen were chosen. Kirk Shulman was named King and Erica Crafts was crowned his Queen. The elegant court consisted of Mary Reichman, Mica Schneider, Jennifer Bezanson, and Kayin Peters. As the final song "In My Life" was played, we all had the opportunity to hold our dates for one more time and create long lasting memories.

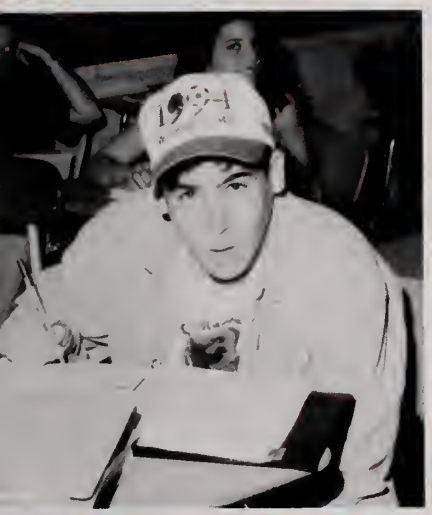


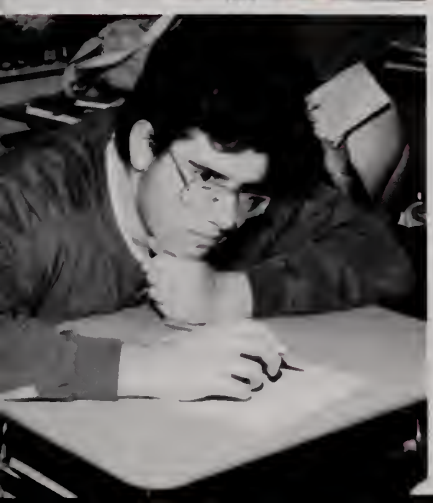
NOBLES

seniors

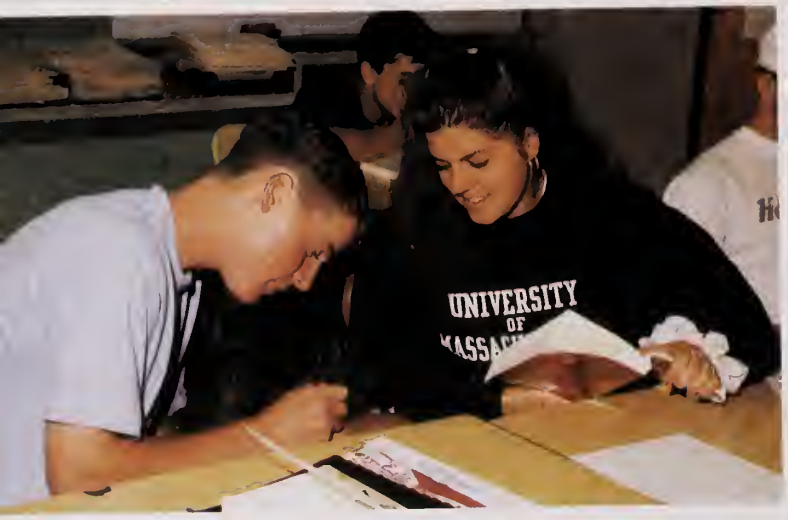
The future is filled with uncertainty —
The present is not here to stay.
it's so hard to say good-bye
and turn tomorrow into yesterday.
Why can't this moment last?
From a freshman to a senior
the time goes by so fast,
can it be that this year is our last —
We are the class of 1995!

seniors





We may divide and go our separate ways,
but our friendships are here to stay.
Remember the good times.
In our hearts they will always live,
we are here for each other always!



seniors

Through the smiles and through the tears,
these are the best days of our lives —
These are our high school years!

Four years of tedium and sleepless nites amount to nothing more than good friends and another 4 years of tedium and sleepless nites. Farewell to all my friends, those who spread themselves throughout the globe and the culture, and those who stay behind in expectancy of their tums:)

appreciation

So many people in our school are taken for granted, yet one more than others seems to stand out. His hours are longer than anyone else, and his work is needed more as well. If it were not for Mr. Joe Roach our high school would not function on a daily basis.

Whether he and his co-workers are about the daily task of cleaning the cafeteria so that we may enjoy our school lunches, staying after school until very late in the evening to clean up after one of our many school dances, or being actively involved in town events, such as Family Week, Mr. Roach is always willing to help our school and our community, and usually without the recognition he so richly deserves. For this we would therefore like to extend our sincere thanks and enormous gratitude to an individual we really appreciate. Thank you Mr. Roach.

dedication

We would like to show our thanks by dedicating this book to Mr. John Blanchon. You were not only a principal to us, but a friend. Your thirty-five years in education have touched the lives of many students, faculty, and staff, in a most positive and enriching way, and have enhanced the life of the school itself.

Not only have you helped provide our support system for the most important years of our lives, but you have helped to provide us with an excellent and first rate education.

We made it through our high school years with your help, "Doc". Many thanks and our warm regards for a long, healthy, and rewarding retirement.

This year proved to be one of rebuilding for the girls, but despite their loss of many fine Varsity players, they still managed to have a winning season and make it to the first round of the state tournament. The team looks forward to having another fine season next year with the leadership of Coach Cronin and Co-Captains Robin O'Sullivan, Andrea Arcanti, Jennifer Berish, and Rachel Schlossberg.

Once again the boys' tennis team rocked the Hockomock league, with a 13 and 1 record (their only loss was in the final round of the state tournament to Weymouth.) They all worked hard and were rewarded with success. Sophomore Adam Harris defeated his opponents easily, as did Freshman Steve Davis. Junior Captains Jerry Shaw and Yoni Rubenstein played excellent doubles and are hoping to lead the team as Seniors to even greater success next season. Coach Holt and the team wish next year's players good luck and a great season.

The boys' squad had many talented individuals who helped our team gain one of the top places in the league. Captain Zach Dewhirst and Ross Krachey were the top distance runners on our team, while Brian Stanislaus, our amazing sprinter, went on to the State meet. The team's many underclassmen show great promise and hope to lead next year's team to another terrific season.

Despite their record of 0 and 16 in a very competitive league, the girls' softball team still managed to improve their hitting over the season, and everyone worked really hard to make strong individual contributions. Sophomore Erica Epro provided the team with good pitching, and the team played really well in the field. Lee Mish set the record for the most strike outs in a game last season. Co-Captains Seth Grossman, Steve Jordan, and Lee Mish provided strong leadership for the team and worked hard to make the season a memorable one. The team nearly made it into the state tournament, and hope to do just that next year. boys' soccer

This year's team is off to a strong start and looking forward to being a major force in the Hockomock League. Captains, Zach Dewhirst, Kenny Ames, and Jay Doherty, are looking forward to completing another fine season. The boys have a great transitional game, and the 9 Seniors, 3 Juniors, and 5 Freshmen on the team are working hard and playing well. Jeff Ludlow and Joel Greenberg-Feinberg, along with Alex Schindelar, have been playing excellent defense, while Kenny Ames and Josh Egan have been racking up the goals on offense. Midfielders, Zach Dewhirst, Brian Doherty, and Stu Macdonald, complete the team with strong midfield support. Coach Alan Howie and the team are doing well and wish next year's team continued success.

girl's soccer

The 1994 season was a very successful one for the girls soccer team. Coach John Medeiros, with his experienced leadership, motivated the team to work hard and play their best. Through determination, desire, and heart, the girls proved to be a strong force in the Hockomock League. For the second year in a row, the squad not only made it to the State Tournament, but also defeated one of their strongest rivals, the Foxboro team. Co-captains Shanna Abrams and Jill Flannery, along with the other seniors wish the 1995 team continued success.

cross-country

The cross-country team, led by Co-Captains Eric Feigen and Chris Byrnes for the boys, and girls, led by Captain Ashley Villani, has had a very successful season. The girls came back to prove their blossoming talent with the addition of a strong group of freshmen who had "The Eye of the Tiger!" With the backbone of All Star Ashley, the girls snatched fourth place in the Hockomock League. All Stars Ross Krachey and Eric Fireman spurred the boys on to an amazing second place finish in the Hockomock League. All in all they did Coach Norris proud!

If team spirit and enthusiasm was a guarantee of victory, this year's field hockey team would have chalked up nothing but wins. While Seniors Jen Berrish, Lisa Keller, and Senior captains Mary Reichman and Sara Mayer made a strong defensive showing, and captain Robin O'Sullivan was aggressive on the offense, the team lost many of their games by only one or two goals. The team ended the season witha 0-16-2 record. Next year Juniors Lauren Santoli, Chrissy Connors, Amanda Houston, and Amanda Bourne should make the team strong league contenders. The 1994 team would like to thank their coaches, and wish next year's team all the best for a successful season.

football

This season the football team worked and played hard with the hopes of a successful season. Senior Captains, Mike Wall and Lee Mish, provided touch leadership for the team with their new Run and Shoot offense. While the team did not achieve an outstanding number of wins, they did demonstrate grit and determination. Next year we expect to see continued success from Junior Matt Wall, at Tailback, and Junior Billy Hershman, at Quarterback and outside Line Backer.

The team showed its true grit and determination in an excellent game in which they destroyed Oliver Ames. Senior captain, Mike Schantz, has been having a good season playing center and forward. Seniors, Ben Smith, Jared Carver, David Solomon, Andy Sherman, Josh Egan, and Lee Mish have all been playing well, as have juniors Greg Kingsley and Duanne Dunn. The team would like to thank head coach, Basil Cronin, and assistant coach, Joel Peckham, for a terrific season, and they wish next year's team good luck.

gymnastics

The gymnastics team has got off to an impressive start and have the potential to finish second if not first in the Hockomock League. Tri-captains, Ami Norris (bars and vault), Allison Levine (All-around), and Tara Zenack (floor and bars) have been leading the team in their assault on the Hockomock League. The team should send several gymnasts to the Sectionals, and Jodi Kraus and Liz Loring will most likely compete at the state level. So far the team has lost only once, to Canton. They would like to wish next year's team success and thank their coach, Karen Horan.

The wrestling team is returning with a not too shabby 7-7 record. The team faces a number of tough opponents, under the leadership and co-captains Matt Rudenstein and Pete Tillman. With strong support from seniors Craig Freeman, and Kurt Nelson they should offer a challenge to the Bridgewater-Raynham, Franklin, and Carver teams. They are entered in tournaments at King Phillip and Cohasset, as well as the most respected tournament in the state, the Lowell Holiday Tournament, and with their hard work, and determination they should be a strong contender for the Division III South Sectional Title.

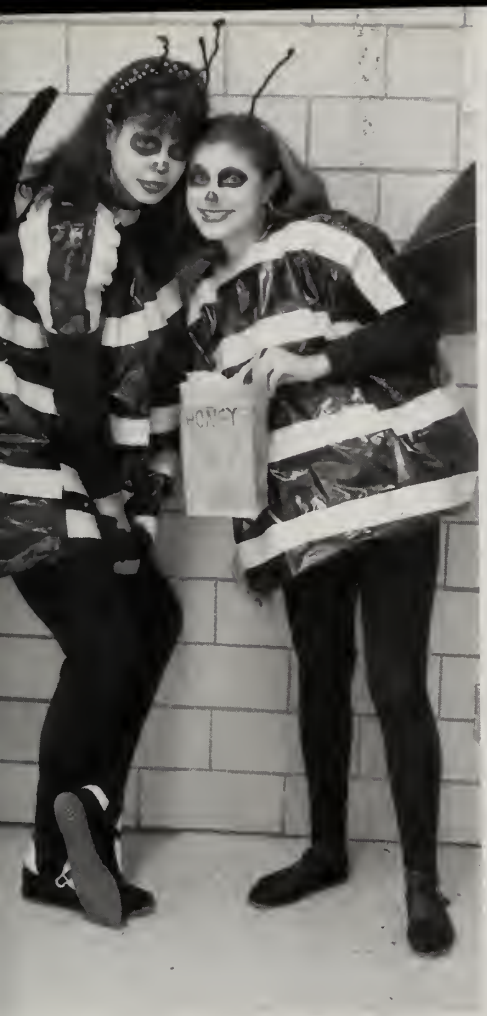
halloween



You could sing along with the Strawberry Shortcake gang or travel down the Yellow Brick Road with Dorothy and the witches from the Wizard of Oz. Ghosts and goblins roamed the corridors, as we celebrated another Halloween at Sharon High School, and we had the Halloween Assembly back. The bumblebees buzzed into first place for Group Costume. Other award winners included Roadkill, Seniors on the Go, the Crow, the Hulk, and a collection of colorful crayons.

homecoming 1994

On October 29th Sharon hosted the Cohasset Skippers in a close and riveting football game at the Middle School.

The classes displayed the floats that they worked long hard hours on; the senior class encountered victory with their eighteen foot float followed by the juniors who earned second place.

The freshman homecoming king and queen were Sam Chates and Lianne Graubart, the sophomore class royalty were Brian Stanislaus and Sabrina Yohai, and the junior class representatives were Josh Millman and Dana Dershewitz.

Left to right: Senor class king and queen, Jeff Smokler and Sara Mayer. Senior class court: Ben Forman and Mica Schneider, Seth Miller and Jennifer Robinson, Jerry Shaw and Eve Davidi, and Peter Tillman and Jessica Colassi.

thanksgiving pep rally

The whole school came together to show their support for our football team, and to wish them luck in the Thanksgiving-day game. The pep rally, held in the gymnasium, included the Senior girls performing a song, to the tune "I Will Survive", for a special send off to Senior guys in their last high school game. There was a fine display from the Sharon High Gymnastics Team, and a special guest appearance from Senior Pete Tillman, who appeared from the crowd to join them in executing several acrobatic maneuvers. Allana Todman and Kay Peters sand a beautiful rendition of "Amazing Grace". On a lighter note some of the Senior boys did their annual "full-bodied" imitation of the cheerleaders. The rally concluded with Coach Miller thanking the assembled students and asking them to show their support at the game.

a midsummer's night dream

Puck led the lovers astray, and the audience into gales of laughter during the drama clubs presentation of "A Midsummer Night's Dream". A splendid set turned the auditorium stage into an enchanted forest. Outstanding performances were given by Geoff Messenger, Ann Fraioli, and Julie Heck as Puck, Oberon, and Titania respectively; as well as Liz Blocker, Erica Crafts, Joel Allen, and Steve Berman, as the star-crossed lovers. This production shook up Shakespeare, with a little added flavor of the nineties. (dote!)

Graduation brings jubilation
We know you've waited 12 years
To us it brings a river of joy and also a flood of tears
They are tears of happiness and tears of sorrow
Such pride to see you today, but sad you'll be leaving for college tomorrow
Memories flew by but they'll always last
They are wonderful pieces, part of your past:
Fun at the proms and Homecoming Queen
MVP and Captain — you are quite a running machine
Editor of the yearbook and Italy for the view
Honor Society member and Community Service too!!
Open house parties and a license to drive
Being up all night doing homework
Yet to high school on time you'd arrive
Falling alseep with the light on and not reading required work
You'd cry and worry for a week and drive us all beserk
Somehow thru it all you survived quite well
the A's (and sometimes B's) on your report card made our hearts swell
You are now on your own and the choices are yours to make
I know you'll pick them right, it's just so hard for a parent to take
We'll miss you dearly, as we always do discuss
College life will serve you well, if not come home — Take a bus!!
Remember — you only live once so do it right
Life's a bagel — so here's to your first bite.

Congratulations on all your achievements

Mom, Dad, Linz, Cami, Grandma & Mili
